## **The Kleckos: NFL Father-Son Twosome Available for Select Personal Appearances**

**Perrineville, NJ** - Legendary New York Jet **Joe Klecko** and his son, Super Bowl XXXVIII champion **Dan Klecko** of the New England Patriots, are now available for select personal appearances through a special arrangement with Trinity Sports Promotions (TSP), a division of Trinity Financial, Sports & Entertainment Management Company, LLC.

In addition, through a unique relationship held by B & J Entertainment of Lakewood, NJ, renowned sports artist Gary Longordo will produce a series of paintings and prints of the father-son duo in their NFL and Temple University wear.

"Joe Klecko is my all-time sports hero. I can think of no one better than Joe and his son Dan, to kick-off TSP," said Peter Grandich, founder of Trinity Sports Promotions. "It has been a rare privilege to get to know both Joe and Dan and their family. Their love of God and family is second to none, and Dan is everything that a young man in the NFL should be, but all too often isn't," he said.

Though not the first father-son duo to come out of the NFL, the Klecko-Klecko twosome stands out. Dan Klecko, a defensive tackle, plays the same position that his father, Joe, a member of the Jets' famous "Sack Exchange," played roughly 20 years earlier. Both graduates of Temple University, Joe Klecko was a sixth-round draft choice in 1977 and Dan also was taken in the fourth round in 2003.

With the same college uniform and family strong resemblance, the exclusive paintings for which TSP has arranged will be true keepsakes for football fans everywhere.

"Gary Longordo is without a doubt one of the most sought after sports artists in the world today,"
